

## **Criminal Investigation – Assignment 2**

**Due March 4, 2020**

Research a case involving a workplace mass murder, a school mass murder or a serial murder. (Cases can be currently under investigation or successfully solved.) Write at least a 3-page paper on the murders or make a presentation to the class. The focus should be on how the investigation was organized, how a suspect was developed and how the physical evidence contributed to the investigation.

### **Paper Instructions**

This assignment must be at least **3 FULL pages of content**. It must be typed, Times New Roman or Calibri (11 or 12) point font, standard one-inch margins, and double spaced. Your paper must include a separate Title Page, and if necessary, a separate Reference Page. 20 points will be deducted for each page under the minimum requirement. **The Title Page and Reference Page are not included in the 3-page requirement. 20 points will be deducted for each page under the minimum requirement.**

**The Title Page is used for your name, date, title, etc. 15 points will be deducted if this information is typed on the first page of content.** Your paper must include the focal points listed above.

### **Presentation Instructions**

If you choose to make a presentation to the class, you must prepare a PowerPoint presentation that outlines the focal points listed above and make a 10 minute presentation to the class. Please print your PowerPoint slides to turn in to me and let me know before class that you are presenting.

You may choose to write a paper or present to the class. You **do not** have to do both.
